

The NL-M910 and NL-M1210 are 9-inch and 12-inch B&W monitors that provide crisp, high resolution images for a variety of CCTV applications. Easy-to-use with convenient up-front controls and high resolution images makes these monitors ideal for viewing cameras, video preview and recorded playback.

Their compact size also makes them ideal for security installations with minimal space or can be rack mounted with the optional rack mount kit.

Other features include auto terminating BNC connectors and a metal cabinet for rugged reliability.

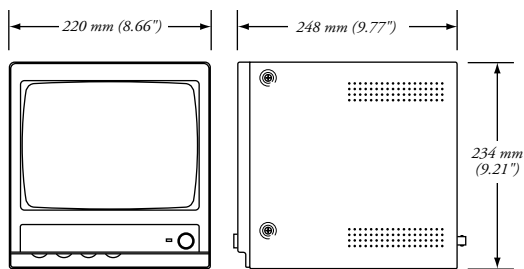

## FEATURES

- > Front panel controls
- > 800 TV lines
- > Auto terminating BNC
- > Looping video input/output
- > Rack mountable (optional)
- > One year warranty
